F R E E R E P O R T !!

(but there is a slight catch)

Because of the extremely High Cost of doing business today (ie) the tremendous cost of running these ads, printing, postage etc) we simply must ask for a small shipping and processing fee of \$2 cash . This not only eliminates all of the tire kicking, curiosity seekers and info collectors, it really does enable us to get a handle on some of these expenses. Plus, we know you will agree that it will be well worth it, once you get your hands on our FREE REPORT! Please don't forget, any requests submitted without the \$2 cash processing fee will not be answered.

----- FAST ACTION FREE REPORT RESPONSE -----

OK you've got my attention. Please rush me your exclusive brand new FREE REPORT!! I've enclosed \$2 in cash (Please, no checks or MO for this, our banker can't handle it!!)
