

The \$20 Gifting Program That Keeps On Gifting!

You can create a never-ending flow of \$20 Gifts every month!

All you have to do is repeat the 6 Simple Steps below:

1. Make four (4) copies of this page. One of these copies is yours to keep for your own personal gifting records.
2. Write your name, mailing address, and the word “ GIFT ” on a blank sheet of paper. Fold it around a \$20 Bill and mail it, along with one of the copies of this page, to the person in the # 1 position ONLY on the list below.
3. Mail the two remaining copies, one each, to the gifting participants listed in position # 2 and position # 3 below.

* The repeating of these first three steps, once a month, is what creates the never-ending flow of \$20.00 Gifts every month for each participant once their name reaches the # 1 position, which usually only takes about 2 to 4 weeks. *

4. Remove the # 1 name from the list below. Move the # 2 and # 3 names up one position. (# 2 becomes # 1 and # 3 becomes # 2) Now put your name and address in the # 3 position. Note: An easy way to do this is to retype the name list Carefully and Accurately and tape it over the original list before you make copies. If necessary, you can retype the whole page, word for word. * A neat and clean copy will always produce the best results for you. *

5. Make 100 or more copies of the new page that has your name and address in the # 3 position. Mail this gifting program to the people on the lists of other programs you have received or to people who you know will participate. If you do not have any names, you can purchase a list of names from a list company of your choosing that you know will bring you the best results. Important: Always put your return address on the upper left corner of your envelopes, and hand write your prospect's name and address neatly. Hand written envelopes get more responses!!!

6. Get started right away. In just 2 to 4 weeks you will begin receiving \$20.00 Cash Gifts in the mail, and they are all yours!!! To create a never-ending flow of \$20.00 Gifts every month, all you have to do is repeat these 6 simple steps once a month. * Below is an example of what would happen if each participant only found 10 honest people.

* 10 honest people, 3 levels deep, each participating only once a month, is \$20,000 in cash, to you, every month. * Here are the numbers: $10 \times 10 \times 10 = 1,000$ 1,000 monthly participants \times \$20 = \$20,000 Think about it!!!
