

Retirement 50/50

**Amazing Plan That You Could Retire On!
Huge Monthly Payments Have Never Been Easier!!**

Imagine Getting Paid Every Month with NO JOB REQUIRED!

That's Right.... You Get Paid No Matter Whether You Work At Your Regular Job or Not!

Hi, This is Mike and I have to tell you that this is the best program I have ever been involved in. The best part about Retirement 50/50 is that every person that signs one of the forms I send them agrees to pay me \$50 every month, and I don't even have to work. I want to thank you for sending the checks on time each month. I now have 163 people sending me payments and I am sure that I will soon have 500 which is my goal. However, I won't stop there since this is so easy. My monthly mailing expense is sure worth the cost and effort. Thanks, Mr. Carlton, for making this opportunity available. You are the greatest!

This is How Retirement 50/50 Works: You complete the form below and return it to Carlton Group. You DO NOT Send any Money with the form. By completing the form and sending it to Carlton Group you have agreed to send \$50.00 each month to the member that referred you. You have also agreed to send \$50.00 each month to Carlton Group to cover the accounting and maintenance expense of your participation in Retirement 50/50. Your total cost each month for your participation in Retirement 50/50 is \$100.00. There are no other charges by Carlton Group. Your total Retirement 50/50 check each month can be in the thousands, however, your total Retirement 50/50 check each month depends on your own efforts and is not pre-determined. Every time you get someone to fill out and send in one of these forms that you gave or sent to them they are agreeing to send you \$50.00 each and every month. Imagine your own possibilities..... 50 people would bring you \$2,500 per month... 200 people would bring you \$10,000 per month, and 550 people would bring you \$27,500 per month..... *and there is no limit!* All you have to do is make copies of the master form that we send to you and mail them out or distribute in any way you choose.

Once again, you do not send any money with this form.

No matter what date you join... Between the 1st and 7th of each month Carlton Group sends out to each and every member a payment form that they will use to send their \$50.00 payment for the member that referred them and to send their \$50.00 payment for Carlton Group. Both payments must be received by the 25th of the month. No Refunds Are Given. If a member's agreed payments are not received by the 25th of the month then that member is eliminated from the program, their account closed, and any future payments received for them will be returned. This policy is strictly enforced in fairness to all members that send their payments on time. This is serious money for serious people. Every member has their Retirement 50/50 pay sent to them from Carlton Group by the 10th of each month. This is a very simple, but highly lucrative Retirement Plan.
