

# \$20 Can Solve All Your Money Problems!

**How much does \$20 buy today?** Not much! Why not give someone a \$20 gift and solve all your money problems and their's too. **IF you don't have \$20, you really need this program!** Mow a few lawns to get the money to start. With a one-time gift of \$20, you could receive an endless supply of \$20 money orders. **Start Today!**

**We are all monitors of this program.** because we are checking the bottom of the page to see if the last person (person on the top) had sent a \$20 money order to the person in the 5th position. Write **VOID** on the money order copy to stop crooks from trying to cash it.

There are only 4 positions, so your name will reach the **giftline** (position #4) very fast (usually 60-90 days). If everyone were to recruit only 5 new members, the potential gifts would look like this:

$$5 \times 5 = 25 \times 5 = 125 \times 5 = 625 \times \$20 = \$12,500$$

(Would that help solve your problems?)

This is only possible **IF you believe in and promote this plan.** Mail to people who send you their programs and all the names in their envelope. This is the **best list** you can get, They are all serious mailorder enthusiasts proving they are in the mailorder business.

***It's FAST, It's EASY, It's CHEAT PROOF and It's FUN!***

Just purchase a \$20 money order for the person on the #4 position, write **Gift** at the bottom of the money order. Then **type a new list** with your name and mailing address in the first position. Move member's name and address down one position and remove the name in the 5th position.

Attach a copy of your money order to the bottom of this page, make copies and mail as many as you can afford to other mailorder dealers. Try to mail 50-100 a week for 6-8 weeks. *Then wait patiently for your wealth to arrive.*

**Isn't this the Best Gifting Plan Ever!**
